# PROFESSIONAL DEVELOPMENT

## Content Designed for Your Business

*Content That Unlocks The Power of Your People To Achieve*

Most training is neglected, disliked, and forgotten. Your team will use, enjoy, and apply SyncLX's content in either your Learning Management System (LMS) or ours.

*"SyncLX's courses are the employees' favorite within our entire learning library!"*

~Steffanie B, L&D Specialist at Toyota

## CONTENT STRUCTURE

Each course follows this proven proprietary learning process:

1. **The Lesson:** engaging 10-15 minute micro-learning lessons.
2. **The Anchor:** reflection questions that personalize the learning making it stick.
3. **The Take Action:** assignment that ensures the learning is put into action
4. **The Journal:** writing that cements the learning.
5. **The Nudge:** digital nudges to reinforce the learning (optional)

All content can be delivered in the following ways:

- Digital Courses
- Interactive Presentations (1-2 hours via virtual or in-person)
- Workshops (half or full day via virtual or in-person)

## CONTENT PRICING

The \* next to courses highlights the courses that can be leveraged by anyone within the organization wanting to raise up their professional skills. All of the Rising courses are universal for anyone in the organization interested in those topics.

## EXECUTIVE LEADERSHIP (THOSE IN DIRECTOR TO VP ROLES)

When it comes to Executive development, it's not about redesigning a Leaders "operating system," it's about fine-tuning it. Our Executive Development content is designed to be on-demand personalized development experiences that enhance and refine senior leaders' impact.

This content is a part of a program that is designed around coaching, virtual cohorts and self-discovery that ensures senior leaders are developing in the right ways.

### TO EXPLORE THE ENTIRETY OF WHAT IS INCLUDED IN THIS PROGRAM:

- Authenticity With A Caveat
- Accountability Design (*Ensuring Self & Others Are Accountable*)
- Enhancing Emotional Intelligence (EQ)
- Fit For Duty (*Health & Wellness As An Executive*)
- OKR Alignment
- Yes That! (*An Evidence-Based Approach To Feedback*)
- Influencing From The C-Suite
- Rethinking Stress
- Driving A Culture of Inclusivity
- Coaching and Developing Others
- Career De-Railers (*The 5-Archetypes That Cut Careers Short*)
- Modern Motivation
- Importance of Speaking Last
- Psychological Safety & Innovation
- Navigating Uncertainty
- Leading Successful Change Initiatives (*The Five Pillars To Change Success*)
- Rethinking Collaboration In A Digital First World

## EMERGING WOMEN DEVELOPMENT PROGRAM (ENTRY-LEVEL FEMALE PROFESSIONALS)

Early career women face many unique challenges as they start upon their professional journey. Studies show that women have less than five years to get their first promotion before they fall victim to the "broken rung," an inability to successfully transition from entry-level professional to manager.

This curriculum is designed for emerging female professionals to help fast track their promotion timelines by teaching them the mindset and skill set that will amplify their promotability.

*Unlock the micro courses listed above, these courses are more in-depth with multiple lessons embedded within each module. The Emerging Women Development Program is often purchased as an entire initiative, versus stand-alone courses.*

### MODULE #1: BUILD YOUR PERSONAL BRAND

- Transitioning From Student To Professional
- Cultivating A Growth Mindset
- Articulating Your Unique Contribution / Knowing Your Worth

### MODULE #2: BUILD YOUR TEAM

- "Teaming" Up With Your Manager
- Expanding Your Network
- Seeking Out Feedback

### MODULE #3: BUILD YOUR VISIBILITY

- Speaking Up & Stepping Out
- Negotiation Skills
- Career Conversations
- Career Stoppers & Starters

# DIVERSITY & INCLUSION GENERAL CONTENT

The courses below are designed to help create a culture of inclusion.

**MICRO COURSES:** Each course listed below is short and sweet. Lasting 10-15 minutes, these lessons are hyper focused around their respective topic.

- Diversity & Inclusion Impact (*Understanding The Significance of Diversity*)
- Psychological Safety (*Creating A Team Environment Rooted In Psychological Safety*)
- Cultural Inclusiveness (*What It Takes To Build A Culture of Inclusion*)
- Unconscious Bias (*Making The Unconscious Conscious*)
- Stop Stereotyping (*Understanding Where Stereotypes Come From & Their Harmfulness*)+
- Inclusive Communication (*Realizing The Power of Words*)
- Building Allyship (*What Allyship Is & How To Build It*)
- Building & Amplifying Trust (*Key Strategies In Building Trust Bound Relationships*)+
- Can't We All Just Get Along (*Overcoming Generational Tensions At Work*)+
- Navigating Difficult Conversations (*5-Steps For Conducting "Tough Talk"*)
- Microaggressions (*How Microaggressions Show Up & How To Prevent Them*)
- Loneliness Exposed (*4-Solutions For Overriding Loneliness At Work*)
- Understanding Generations (*Why Generations Matter & Who They Are*)+
- Emotional Intelligence (EQ) (*Tuning Into & Controlling Emotions*)
- Keeping Cool Under Pressure (*Staying Mindful, Grounded, and Controlled During Stress*)

- Leaning Into Or Away From Tech (*Boosting Inclusion Regardless of Tech Preferences*)
- Disconnecting To Connect (*4-Best Practices That Drive Interpersonal Connection*)
- Rethinking Collaboration (*Collaborating In The 21st Century*)+
- Communicating Across Generations (*What You Need To Know*)+
- Accommodating Like A Pro (*How To Control What You Can Control*)+

## GENERATIONS UNIVERSITY (GENU)

GenU is a program designed to close the generational gap at work. Typically licensed as a corporate D&I initiative, these courses help workers from all generations understand how to best work successfully together.

- Stop Stereotyping (*Understanding Where Stereotypes Come From & Their Harmfulness*)
- Building & Amplifying Trust (*Key Strategies In Building Trust Bound Relationships*)
- Can't We All Just Get Along (*Overcoming Generational Tensions At Work*)
- Understanding Generations (*Why Generations Matter & Who They Are*)
- Cross Generational Mentoring (*Reverse Mentoring Techniques That Bridge Divides*)
- Spotlighting Emerging Generations (*How To Set Millennials & Gen Z Up For Success*)
- Rethinking Collaboration (*Collaborating In The 21st Century*)
- Communicating Across Generations (*What You Need To Know*)
- Accommodating Like A Pro (*How To Control What You Can Control*)

## "MANAGING" MILLENNIALS AND GEN Z (*SETTING EMERGING PROFESSIONALS UP FOR SUCCESS*)

Millennials and Gen Z (also known as emerging professionals) are the most misunderstood generations in history. They are disrupting workplaces in a big way and are unlikely to stop anytime soon. These courses are designed to help leaders, talent professionals, OD/HR practitioners (and anyone else within the organization dedicated to driving culture) boost performance, improve retention and align emerging talent with a real sense of purpose.

- Providing Feedback (*Using Radical Candor To Deliver Desired Feedback*)
- The Life of Millennials (*A Brief History of Millennials Upbringing*)
- Job Hopping (*How To Curb Job Hopping Ways*)
- Reverse Mentoring (*Coaching Tactics Proven To Work*)
- Instilling Work Ethic (*Strategies For How To "Push" Emerging Professionals*)
- Succeeding As A Millennial Leader (*4-Leadership Tactics To Leverage*)
- Motivation That Works (*Proper Techniques That Will Encourage The Heart*)
- Communicating In A Digital World (*Communication Best Practices*)
- Training As A Secret Weapon (*Leveraging Training To Ensure Retention*)

# SAFETY SOFT SKILLS.....

By synchronizing brain science with safety, we have developed a suite of learning that inspires the right safety behaviors at work. These modules are great for teaching the fundamental behaviors that lead to safe work habits.

- Brother's Keeper (*Protecting The People Around You*)
- Asking For Help
- Your Safety Legacy (*Committing To Positively Impacting The People Around You*)
- Fit For Duty Emotional
- Fit For Duty Mental
- Fit For Duty Physical
- Safety Sentinels (*Collaborating Successfully With Your Team*)
- Optimism Bias (*Why Being Too Optimistic Puts You At Risk*)
- Positive Safety (*Stop Only Focusing On The Bad*)
- Social Influence (*How Peer Pressure Impacts Our Safety*)
- Sugar & Safety (*How Sugar Impedes Our Ability To Stay Focused*)
- Importance of Preparation
- Sleep & Safety (*How A Lack of Sleep Derails Safety At Work*)

# TOOLBOX TALKS

We have all been to totally lame safety meetings. Safety meetings that just felt like a check in the box event. SyncLX's toolbox talks are modules built to make safety meetings interactive and enjoyable.

## **SIMPLY PUSH PLAY AND LET THE MODULE DRIVE YOUR SAFETY EVENTS AT WORK.**

### **TOPICS INCLUDE:**

- Making Reactive Decisions
- Safety Ergonomics
- Extension Cord Grounding Check
